others in yesterday's contest, this remarkable little woman will receive no money as a result of her shooting in the present tournament, which also applies to the five other professionals who are entrants for target shooting

The crowd at yesterday's session of the tournament was even larger than were three less events to be contested. The comfort of all guests of the association and spectators having been so carefully looked after, it was found to be an ideal place to spend the warm afternoon. There was plenty of ice water and other refreshments, and the shade afforded by the large tent and the club house made conditions perfect for the non-contestants.

W. C. Clements, who came here which materially affected the flight with the expectation of representing of the clay birds, entrants in yes- the Union Metallic Cartridge comterday's events in the second day's pany as a professional shooter, is actshoot of the Arizona Sportsmen's As- ing as cashier of the shoot and is not grounds, failed to roll up scores so ing assisted by Russ Warner of this nearly record breaking as those of city.
